by Utah Valley Chamber of Commerce**

[PROVO, Utah] – January 13, 2022 – The Utah Valley Convention Center, operated by Spectra Venue Management, has been named the January 2022 Business of the Month by the Utah Valley Chamber of Commerce.

Curtis Blair, President and CEO of the Utah Valley Chamber of Commerce, presented the award to Danny Wheeler, Spectra's General Manager of the Utah Valley Convention Center, at a small event at the Convention Center on Thursday afternoon. Several Utah Valley Chamber Ambassadors as well as Spectra and Chamber staff were present.

Blair made several remarks about the process of awarding the honor and about the relationship between the Chamber of Commerce and the Spectra team at the Convention Center. "Without partners like the Utah Valley Convention Center, I'm not sure what trajectory we (the Chamber) would be on now," Blair said. Of receiving the award, Wheeler said, "We are honored to receive this award and value our relationship with Curtis, his staff, and all of the local businesses associated with the Chamber. We look forward to many more years of serving the wonderful Utah Valley community by providing premier meeting space not only for people to create memorable events but to further drive economic impact."
